

PETRA KVITOVA

Petra, a young admirer of the great Martina Navratilova, was introduced to tennis by her father. Her career began in 2008 and her victory at Wimbledon 2011 represents the pinnacle of her career so far. Petra played against Maria Sharapova, securing her first major title by hammering an ace down the centre of the court. In disbelief, Petra fell to the ground then rose with a victorious smile on her face.
