WELCOME

On behalf of the All England Club, we offer you a warm welcome to The Championships 2018.

While you've been away, we've been busy completing the second phase of the development of No.1 Court, as well as making some significant improvements to our debenture facilities.

In Centre Court, we've re-designed and upgraded The Courtside Restaurant providing a new entrance via the North Lobby. We've also introduced The Courtside Brasserie, a new restaurant that offers a casual menu served throughout the day.

Over on No.1 Court, new floor-to-ceiling windows in the Debenture Lounge give a spectacular panoramic view over Courts 15-17, while above the court itself the fixed roof is back in place, leaving only the fully retractable part to be installed for 2019.

Since 1920, debenture holders have played a leading role in helping us improve the Grounds and I would like to thank you for your continued support.

And so, to this year's Championships. What lies ahead? How will the action play out? Whatever happens, we can look forward to the enticing prospect of the world's best tennis players pursuing their dream of greatness on the world's finest tennis stage.

We hope you have a very enjoyable and memorable visit to Wimbledon.

- The AELTC reserves the right to change the programme of play without notice where necessary.

CHANGES TO THE ORDER OF PLAY

We do try to play all matches on the courts and days published. However, occasionally it is necessary to switch a match from one court to another. This can be for a number of reasons.

For example:

- We aim to complete The Championships on time and this involves playing 674 matches, in the 16 events, over the 13 days of the tournament.
- Some players remain involved in several events towards the end of The Championships and it may be necessary to move a match to avoid a clash.
- We try to give similar rest periods between matches for players due to play each other.
- A match that is unlikely to finish because of a late start caused by the duration of previous matches may be postponed to the following day. In this event, another match may be substituted.
- We recognise that this may be frustrating for debenture holders and we apologise for the rare occasions when circumstances necessitate a change to the published Order of Play. We hope you will appreciate why such changes are sometimes needed.

YOUR TICKETS

Tickets are for the court specified on the date shown and entitle the holder to entrance to that court. Ticket holders have no entitlement to view any particular match or round of matches or any particular player. Matches may be moved from one court to another at the sole discretion of the AELTC.

Tickets with the word 'Debenture' printed on them in place of the price may be legally transferred or sold on; however, we advise customers to check that any tickets they are offered by unofficial websites are indeed debenture tickets.

Please do not share or post pictures of your ticket offer or tickets on any social media platforms or websites. People may use the details and offer them for sale online to defraud/attempt to defraud third parties into buying them. This may result in ticket holders encountering difficulties when visiting Wimbledon.

YOUR TICKETS

DEBENTURE TICKETS

In the interests of safety and security, and in order to comply with licensing requirements, each debenture ticket can only be used to enter the Grounds once. Re-admission with a debenture ticket is only available with an appropriate pass-out (which is non-transferable) and debenture ticket holders cannot transfer a debenture ticket if such ticket has already been used to obtain entry to the Grounds.

TICKET RESALE KIOSK

We make every effort to ensure that seat tickets that are no longer needed are made available for resale to spectators already within the Grounds. On leaving the Grounds, original ticket holders are asked to have the barcodes of their tickets scanned in order for a new ticket to be generated. Alternatively, unwanted tickets may be deposited in the designated red boxes for collection by the Honorary Stewards.

The tickets are resold at a small charge from the **Ticket Resale** kiosk inside the Grounds.

The entire proceeds will be donated via the Wimbledon Foundation to charities and community organisations. The Wimbledon Foundation is the charity of the All England Lawn Tennis Club and The Championships and aims to change people's lives.

DUPLICATE TICKETS

The loss of tickets should be reported immediately to the Ticket Office (**020 8971 2739**). On verification, duplicates will be issued but must be collected from the Ticket Office in person by the debenture holder on the day. Duplicate tickets, once requested, take priority over the original tickets. Debenture holders who request duplicate tickets may be required to assist the AELTC in connection with any use or abuse of the original tickets issued.

Please look after your tickets carefully as duplicate tickets, if arranged, will attract a charge of **£12** per ticket where the originals have been safely received by the debenture holder but subsequently lost.

CANCELLATION OF PLAY DUE TO RAIN

Details of the Raincheck policy introduced in 2001 are as follows and apply to all 13 scheduled days of The Championships, including the final Sunday:

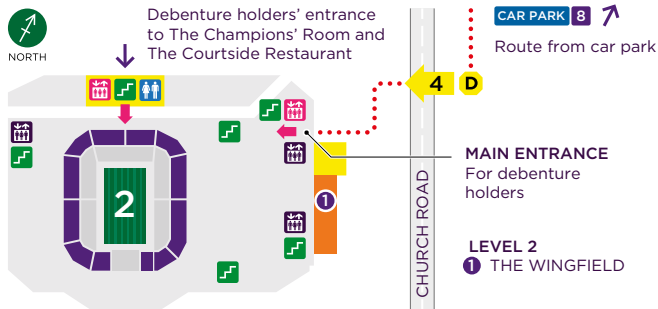

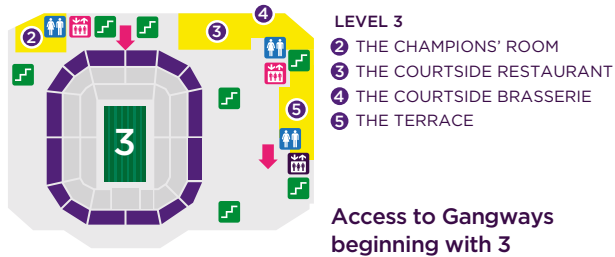

- If there is less than one hour's play because of rain on the court for which tickets have been bought, the original purchasers of the tickets for that court on that day will be refunded with the amount which they paid for those tickets – the maximum refund payable will be the face value of the tickets for the day concerned.
- If there is more than one hour's play, but less than two hours' play, refunds will be limited to half the amount paid.
- The Referee's decision on how much play has taken place will be final.
- Refunds will be paid out automatically after the last day of The Championships to all debenture holders who are entitled to a refund.
- Tickets purchased at the Ticket Resale kiosk are not covered by this policy as the monies are passed to charity.
- Separate terms and conditions apply to a) debenture holders who have transacted on the Official Market and b) to any extra days of play.
- Full details of the raincheck policy are available from the Debenture Office.

Important note:

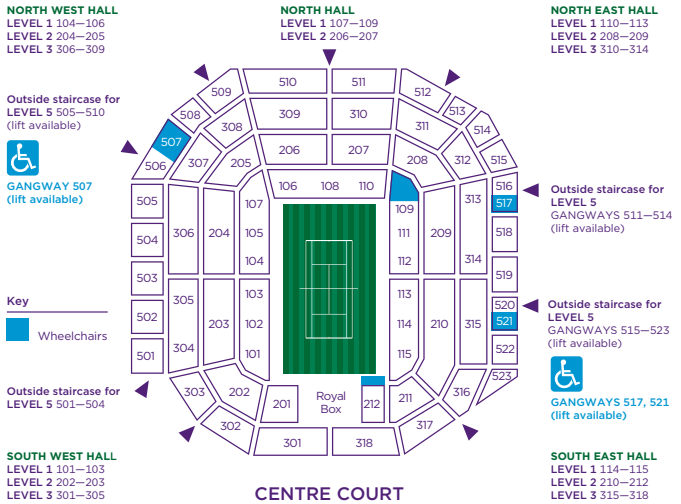

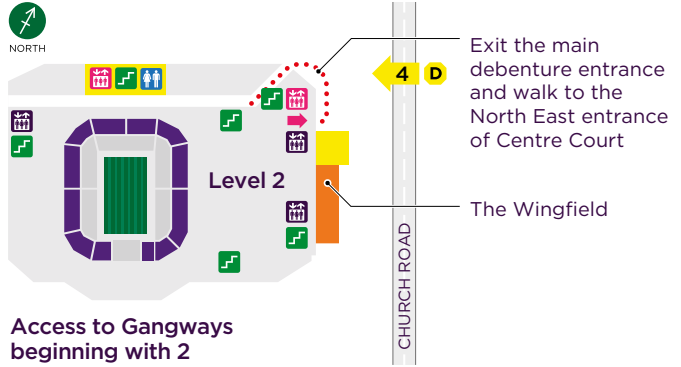

Refunds are calculated as defined above and using the Referee's record of how much play has taken place on any given day. It is this official figure that determines whether or not customers are entitled to refunds, rather than the amount of play that an individual spectator may have seen.

In the event of any curtailment or cancellation of play, due to any cause (other than negligence of the AELTC) other than rain, it is regretted that no refund of money can be made.

BEFORE YOU LEAVE HOME

- Come prepared for all weather conditions, whether hot or cold, wet or dry.
- Wear appropriate footwear (flip flops and high heels are not recommended).
- If you need to bring a bag select one that measures no more than 40cm x 30cm x 30cm / 16" x 12" x 12" and has as few compartments as possible. Wheeled bags are strongly discouraged.

- Allow good time to reach the AELTC – local roads and transport networks will be congested and security measures are in place prior to entering the Grounds.
- If you face challenges/difficulties in negotiating distances or hilly ground, it may be easier for you to bring a wheelchair (please note that neither the AELTC nor St John Ambulance provides these for visitors).
- We have a selection of vegan, vegetarian and gluten-free options available across the Grounds; however, visitors with special dietary requirements are advised that they should bring with them what they need to eat and drink throughout the day.
- If you intend to bring alcohol, do not bring bottles of spirits and please note the strict limits set out within the Conditions of Entry on **page 81**.

AROUND THE GROUNDS

- Allow good time to reach your seat or destination within the Grounds – don't rush through crowded areas.
- Take care when negotiating stairways inside and outside the facilities. In common with most other sports and entertainment venues, there are no supporting rails in tiered sections of the stands.
- Do not leave items unattended at any time.
- Remember to keep your ticket with you at all times.

AROUND THE COURTS

- Switch off mobile phones, tablets and other communication devices in the stands and around the courts, and disable the flash on your camera.
- In common with many other major sports and entertainment events, selfie sticks are not allowed into the Grounds.
- Only enter or leave a stand at a change of ends and never during a tie-break.
- Do not make a noise during a rally.
- Never applaud a net cord or double fault.
- Smoking, which includes e-cigarettes, is forbidden within the stands of any court and in all areas covered by legislation.
- Smoking is permitted in open areas with the exception of within queues and the Aorangi Terrace (including the Orchard).

Food and drink are an important part of enjoying The Championships, be it a quick bite between matches, a more formal lunch, a quintessential British afternoon tea or a sundowner when the day's play has concluded.

We're proud to showcase the rich seasonal harvest and the very best from British suppliers and producers. Quality British ingredients are at the heart of our food and drink ethos and, wherever possible, feature in the broad selection of dishes and menus available across the Grounds.

NEW FOR 2018

We're delighted to offer a new selection of food and drink outlets available to the west of No.1 Court. Walled Garden Food Market offers the best of British ingredients alongside hot fusion dishes, lighter bites and healthy snacks. At the base of Aorangi Terrace next to the large screen you'll find The Larder, serving food to go and hot and cold drinks, a bar and coffee bar.

STRAWBERRIES AND CREAM

The strawberry has been intrinsically linked with The Championships since 1877, when spectators at the original grounds in Worple Road enjoyed the juicy sweet fruit while watching matches.

In 2017, The Championships served over 33 tonnes of strawberries, all of which were grown by Marion Regan at her family farm in Kent. To ensure the utmost freshness, LEAF-certified Grade 1 strawberries of the highest quality are picked from sunrise and delivered by 11.00am to be eaten on the same day.

For a quick guide to what's available this year, please see **page 70**, refer to the map on **pages 2 and 3** or visit wimbledon.com/foodanddrink.
